MolDeze: Dual-Action Mitochondrial Support & Mold Cleanse Kit

MolDeze is a plant-powered cleanse designed to help eliminate mold spores, neutralize fungal toxins, and restore balance. Its carefully selected herbs support antifungal defense, detoxification, mucus clearance, and tissue repair, while helping to rebuild energy, mood, and cognitive health. By clearing hidden mold burdens and restoring vital pathways, MolDeze helps the body return to a state of strength, clarity, and renewed vitality.

MolDeze Kit Suggested Use

- Take 15 drops of MolDeze & Immune 3x daily before meals.
- Take 30 drops of Recover 1x daily (& 30 drops of Red Artist if applicable) before meals.
- Take 1 Cinnabin capsule (unless constipated) first thing in morning or before bed as needed for die off symptoms. *Wait 2 hours before or after medicine to take Cinnabin.

Children Ages 3-10

- Take 15 drops of MolDeze 1-3x a day & 15 drops of Immune and Recover 1x a day. 1 capsule of Cinnabin in morning or before bed as needed (add to apple sauce if can't take capsule).

Gutty Pre-Cleanse Mucoïd Plaque Drink Mix (optional)

- Take 1 Gutty packet first thing in the morning on empty stomach for 3 days in a row. Begin MolDeze Cleanse 4 days after.

Fulvic Soak (optional)

- Foot soak can be done before, during & after Gutty and/or MolDeze Cleanse (2-3x weekly).
- Fulvic Soak may cause die-offs, take 1 Cinnabin capsule after soak for additional binding support.

Tips:

- Recommended for monthly use over a 12-18 month period.
- Allow a 7-day rest period between cleanses for best recovery.
- Cater this cleanse to your daily schedule (do your best).
- Increase hydration with alkaline & filtered water.
- Take drops orally, mix with water, juice, tea or add to size 00 capsules (at time of consumption).

- Download RogersHood Guide To Drainage e-book on RogersHood.com for additional drainage support & tools.
